

ASSESS, MANAGE & MITIGATE TRAVEL & TOURISM-RELATED RISK ON THE CLOUD

Managing the risk associated with properties, service offerings and activities in travel and tourism is essential to providing consumers with a safe and secure travel experience. However, it isn't easy.

ABOUT INTERTEK CHECKPOINT

Intertek Checkpoint provides a solution to seamlessly manage risk, receive notifications when health and safety thresholds are not met, and generate key performance analytics.

When combined with the support provided by our team of HSE auditors and technical advisors, this ensures that your suppliers keep on top of non-compliance, address safety critical issues with a sense of urgency, and operate according to industry best practices.

HOW INTERTEK CHECKPOINT SIMPLIFIES RISK MANAGEMENT

MANAGED ON THE CLOUD

View audit results, compliance status and generate analytics via a simple, web-based interface.

CUSTOMISED TO YOUR REQUIREMENTS

Tell us which criteria and risk factors matter to you and weight your audits and self-assessments accordingly.

PINPOINT RISK FACTORS

Our risk analyses are grouped in to safety genres such as Pool, Fire, and Child Safety, which helps pinpoint exactly where suppliers are falling short on compliance.

SERVICE LEVEL AGREEMENTS

Exceptional service sets us apart from other service providers. We are proud to commit to client-specific performance criteria in every relationship we establish.

PRESERVE BRAND INTEGRITY

A serious health, safety or security incident can cause irreparable damage to your brand. Intertek Checkpoint is a key component of brand management for all of our clients.

ROBUST DATASET

What gets measured gets managed. Leverage the power of your data and generate compelling analytics to see trends and drive change.

QUALITY ASSURANCE

We systematically assure the quality of our audit results and the self-assessments your suppliers complete which allows you to have confidence in the accuracy of your data.

REVENUE GENERATION

Share audit data and risk rankings with other tour operators or interested parties to generate revenue and increase your return on investment (ROI).

PEACE OF MIND

Take comfort in knowing that you will be alerted of any non-conformities that arise, and you have a team of technical advisors dedicated to timely defect resolution.
